

# FIGHT CLUB

FIGHT CLUB is a group of men from all walks of life; broken and successful, religious and skeptic, choir boy and convict. We gather each week to enjoy a meal together and go deep in conversations about faith and life. Regardless of your stance on faith, you are invited to belong to our tribe; to wrestle with us as we tackle the big questions in life. We invite you to belong before you believe.

## Our Core values

1. Tell everyone about Fight Club. 😊
2. Where you belong before you believe.
3. None of us are qualified to fix another man:  
We don't fix what God is breaking.  
We don't break what God is fixing.
4. What is said at Fight Club stays at Fight Club.
